

MOTHER'S DAY AT HOLIDAY INN AL BARSHA

On Mother's Day, Holiday Inn Dubai Al Barsha, stole mums away from the kitchen to swap their typical meal for an exotic extravaganza at their fine dining restaurants. The delicious spread at their flagship restaurants meant that mothers did not have to lift a finger, except to browse specially crafted menus courtesy of the expert chefs at the hotel.

Mothers and their families who visited Holiday Inn Al Barsha, were spoilt for choice as there was an array of culinary delights to mark this very special occasion. From Far Eastern to Arabic and Asian, the set menus offered at Royal Budha, Al Sarab and Gharana had a range of cuisines that mothers would enjoy.

“Mother's Day is all about pampering Mom and what better way to do so than to treat her to the fresh flavors of our made-from-scratch menus. And, in appreciation, Mothers dined for free at our various outlets. That was not all, there were raffle draws and lucky mothers also won complimentary dinners and pampering vouchers at Vidal's salon,” said Mr. George Sarkis- Director of Food and Beverage.

Featuring special menu selections and exotic desserts, the Mother's Day celebrations allowed guests to honour their mothers with excellent service and tasteful cuisine at Holiday Inn Dubai Al Barsha.
