

8 ladies and myself stayed at the Holiday Inn Al Barsha from February 25th – 2nd March.

I cannot fault this hotel at all, the location – perfect, the service – perfect, the décor – perfect and most importantly the value for money– perfect.

Below I have listed the main things that will help you decide that this hotel is a good buy:

Location:

Right on Sheikh Zayed Road, 5 – 10 minute walk to Emirates Mall, 10 minutes via taxi to Jumeriah Beach (costs around 13dirhams). From the roof top pool you can see the Burj Ala Rab.

Décor and Room Facilities

Hotel overall: Contemporary and Modern and very clean.

We had an interconnecting room (room 114 & 111) very spacious room and very spacious bathroom.

The facilities as follows:

Hairdryer

Iron (ask house keeping and they will deliver one straight away)

Water bottles (free on a daily basis)

Coffee & Tea making

Sky T.V

Room Service

Hotel Facilities:

Concierge Service – really helpful. Especially Jonathan & Krish, Every time we required a taxi the staff were really helpful and efferent. Most of our trip we had Salem as our taxi driver really helpful and polite.

Front Desk Staff – really helpful, they arranged late check out for me, as I am a priority member.

Roof Top Pool – great place to relax and sun bath, towels are provided free of charge. Also if you want you can use the gym, sauna and steam room.

Restaurants – Spoilt for choose. We dined at the Indian restaurant & sushi bar definitely recommend.

Bars – We had a few drinks on the rooftop terrace bar and also smoked some Shesha

Breakfast – We had breakfast included in our rate and there was so many choices to choose from, definitely recommend to book BB.

Overall, if you are looking to go on a holiday break to Dubai and are happy to be 10 minutes away from the beach (via taxi) then Holiday Inn Al Barsha is definitely the place to stay.

I'm really fussy when it comes to booking hotels, but this hotel I must say ticked all my boxes.

Thank you Holiday Inn for a fantastic holiday and I will be returning very soon.
