Traditional Treats at Holiday Inn Dubai Al Barsha this Ramadan

Enjoy a sumptuous feast with friends and family at the Holiday Inn Dubai Al Barsha this Ramadan as the four-star hotel serves up traditional Sohour and Iftar in two fabulous venues.

Have Sohour in the authentic setting of Al Sarab, the hotel's Lebanese restaurant, which serves an a la carte menu of traditional favourites in a comfortable yet contemporary setting. After dining relax with a game of Backgammon or Dominoes. Al Sarab also offers a set menu for groups.

An Iftar buffet is being served nightly at the hotel's The Gem Garden, where guests can enjoy a fine array of seasonal favourites in a Zen-like environment.

"We look forward to welcoming friends and families to our two fabulous outlets as they break fast and share quality time with each other," said Mr Reda Moukhtar, General Manager, Holiday Inn Dubai Al Barsha.

In keeping with the principal of Zakat (Charity) during Ramadan, the Holiday Inn Al Barsha will donate US\$1 to the Red Crescent for every Iftar sold.

The Holiday Inn Dubai Al Barsha is also offering special room rates throughout Ramadan. Guests can enjoy warm hospitality and thoughtful service on a stylish getaway at the hotel from AED350. This special offer includes buffet breakfast or Sohour and complimentary in-room Internet access. In-house guests can also take advantage of a special Iftar price of AED120 per person.

The hotel's Ramadan room rates are valid from 1st August to 15 September 2011. Rates are subject to 10% municipality fee and 10% service charge. Group discounts are available when booking 10 rooms or more.
